Air Con:

Tread Depth explained:

- **Good** Between 8 and 3mm
- **Caution** Between 3 and 2.1mm
- **Replace** Less than 2mm

The legal stuff:

Please note that Car Wash only conducts a basic 3 tread depth check on each tyre and is not providing any advice, warranty or representation as to the safety or quality of the tyres.

Car Wash accepts no responsibility for any rips, tears or damage to the tyres which was not identified during the tyre check.

Spare tyres will not be checked as part of this service. The legal limit for tyres is 1.6mm
